at the expense of his poor white brethren ? may slide; the sugar interest may slide; the

Practical Education.

As an instance of what can be done on a poor sail, Gen Mosely, the ingenious inventor of the tubercal bridge, informs us that a friend of his by another section of the Union. in Kentucky, some eighteen months ago, com placed that his clay soil would yield scarcely a gol of this prepared manure and a little dirt fail. His friend followed his directions and last of the Union, for generations to come. year his poor clay soil yielded him 6400 heads of cabbage to the acre. This was a most productive crop, and we give it as another instance | 1. wing letter in regard to the leath of Mr. of what a scientific, practical farmer can do.- Choate, from the President of the United Leached a-hes are generally thrown away as States, was received in Boston: worthless, and can be easily procured to make this experiment.

ground completely Towards Spring let the influence of his precepts and his example sheep graze on them, and then plough them on would have contributed much to resure the difder ten inches. Three tops carich the ground ancient peace and harmony among the diff and keep it damp during a drought. In this forest members of the Confederacy.

In him the "elements were so combined," way land muy be manufed at little expense.

Agricultural schools or Colleges, it is admit ted, are much needed in the West where farm ing could be carried on by scientific agricultuturists, and a knowledge of it obtained of incalculable agriculturally and a knowledge of it obtained of ineniculable advantage to those who wish to ob-tain a p-actical education to farming in all its was not of a high tone and clevated characdetails. The reverest difficulty would be to ter. Yours, very respectfully.

JAMES BUCHANAN. obratio compensati professors to give instructions or boys who would be willing to labor in the field as a recreation from the severe mental application in the school roun. Such schools have the- far too often been unsuccessful from these causes. No one likes hard work, espegially what is termed the drudgery of the farm. The is usually performed by hired help, whilst many of our landed proprietors are too indolen: or too ignorant to farm scientifically.

House there is very little progress made in g when compared with other avecationscrease of population demands, and will er require, men to be thoroughly educa this as well other branches of business, er to make the earth yield its proper nar

SENTENCE OF A UNITED STATES SOLDIER -Private Alenson Bently, of K company, First Draf one, convicted of desertion and borsestealing, was sentenced, by the court-martial, latq'y in session at Fort Buchanan, to receive fity lashes with a cowhide, well laid on the bare back; to be confined at hard labor until January, 1852; heavily ironed, to forfeit all pay due him, to have his head shaved, and he branded with a redhot tron Sash, Blinds, Doors, Frames & Moulding with the letter D; to be drummed out of the sarvice, and receive dishonorable discharge,

Eldnapping at Chicago.

Three men, two of them white, the other negro, noting as decoy, are in prison to Chicago, charged with kidnapping three fugitive slaves a faw days since, the property of Captain Frost, of St. Louis, who paid ver to the parties a large reward, which be had previously offered. Kidnapping is considered a serious offence in Illinois. We give the law on the subject:

Revised Statutes, Div. 5, Secs. 50 and 57, Page 159.—"Every person who shall forcibly steal, take or arrest any man, woman or shild, whether white black or colored, in this State, and earry bim or her to another Country, State or Territory, or who shall forcibly take or arrest any person or persons whatsoever, with a design to take such persons out of the State, without having established a claim according to the laws of the United States, shall, upon conviction, be marked or kidnessor. gastry of kidnapping

The penalty adjudged adequate to this rime, is confinement in the State Penitentiary for a term not less than one year and not more than seven years.

The names of the parties are William Turner, colored, and Charles Noyes, and Charles Smith. Noyes was formerly a de-For Locals, Telegraph, and other tective officer with Bradley & Co., Cin., but matters of interest and information, see left the firm some time since. Smith was also a detective at one time, and late a police officer in Cincinnati.

The colored people of Chicago were in a The announcement that an armistice had high state of excitement, and threatened to heen agreed upon between the beligerants mub the negro decay. It is reported that a in Italy had not been fairly discussed by the partner in business of Turner's was, on press, when we have the newsthat a peace Tuesday evening, caught, taken to the lake has been declared between the Allies and shore, and treated to three hundred lashes

The fugnives were shipped in an especial on this side of the Atlantic is not prepared car on the Illinois Central road for St. Louis, for them. In any event, it a matter for hu- and it is rumored that the abductor on munity to rejoice at; and we congratulate Tuesday received a check for \$2,500, the the soldiers who are in arms, and the mass- reward of his labors, and the sum offered es for whom they have been contending in for the return of his property by Captain
